STARTING 2018

Membership cards will now be \$40 per year. \$25 goes NHPA, \$15 goes to run Indiana Horseshoes

Payout for tournaments has increased, instead running the INHPA off of tournament money, the state will run off of the \$15 dollars for membership dues.

Outdoor tourneys will charge \$15 and pay out \$1 per pitcher for the tourney director and 50 cents to the host club.

Indoor tourneys will charge \$19 and pay out \$1 per pitcher for the TD and \$4.50 for the indoor facility to cover the cost of their many expenses

You will still pay the scorekeepers \$1 per game.

Each tournament will now have \$13.50 per entry to pay out in prize money
